**Hurry Down Sunshine: A Father's Story of Love and Madness** Michael Greenberg  
**A *TIME* BEST BOOK OF THE YEAR**

**Hurry Down Sunshine** is an extraordinary family story and a memoir of exceptional power. In it, Michael Greenberg recounts in vivid detail the remarkable summer when, at the age of fifteen, his daughter was struck mad. It begins with Sally's sudden visionary crack-up on the streets of Greenwich Village, and continues, among other places, in the out-of-time world of a Manhattan psychiatric ward during the city's most sweltering months. It is a tale of a family broken open, then painstakingly, movingly stitched together again.

Among Greenberg's unforgettable cast of characters are an unconventional psychiatrist, an Orthodox Jewish patient, a manic Classics professor, a movie producer, and a landlord with literary aspirations. Unsentimental, nuanced, and deeply humane, **Hurry Down Sunshine** is essential reading in the literature of affliction alongside classics such as **Girl, Interrupted** and **An Unquiet Mind**.
