- Animals and monsters of varying dispositions, from those that characters may protect and befriend to those that threaten the existence of entire towns.
- Dragons, fell beasts, elementals, constructs, planar creatures, shapechangers, undead, prehistoric animals, dangerous plants, giants, trolls, fairy folk, and more.
- Guidelines for how to create your own Rolemaster creatures
- Extensive random encounter tables regarding water sources, terrain, vegetation, special features, and power
- A complete index.
