There is a new crafting craze taking the nation. Making Candles!

If you love making candles, then you ABSOLUTELY MUST READ Amelia Alexander's new book HOW TO MAKE CANDLES AT HOME An Easy Guide to Making Beautiful Wax and Scented Candles.

You'll learn all about Candle Making Basics, and the advantages and disadvantages of making your own candles.

Safety while making candles, and the temperature of the wax, mold, and the room where you make your candles. Who knew?

The book goes through all the supplies and materials you'll need. It will then teach you all about the different kinds of wax you can use, and when to use which one.

You'll learn to make wicks, and you learn everything you could ever want to know about making candles with different fragrances!

All the many different types of mold materials, and what candles you can make with which molds. Plus all the different kinds of dyes and colorings!

You'll learn how to choose the colors to use in your candles.

Then, everything you could ever ask about your work space. How to work, how to set up your candle-making operation, and how to have more fun than you every thought possible!

This book has been so much fun to read! I thought I already knew a lot about making candles, but now, I REALLY do!

Finally, you'll learn all about starting a business with your new candle-making hobby. How you can use your candles for great fundraising programs, and so much more.

If you are new to candle-making, or if you just want to own the book that will soon be known as "the final word on candles", you need this book!
