## **John Updike: Collected Early Stories (Library of America)** John Updike

The Library of America presents the first of two volumes in its definitive Updike collection. Here are 102 classic stories that chart Updike's emergence as America's foremost practitioner of the short story, "our second Hawthorne," as Philip Roth described him. Based on new archival research, each story is presented in its final definitive form and in order of composition, established here for the first time.
