## **BETTER BALANCE LEADS TO BETTER BUSINESS RESULTS**

Successful organizations of the future will be led by fully engaged, balanced teams of men and women working together synergistically to produce extraordinary results.

Studies prove that organizations with a greater number of women in senior executive roles are more profitable, have greater market share, and are better able to compete and grow. Businesses with fewer women leaders are just plain leaving money on the table. Yet even in the twenty-first century, women are still not equally represented in leadership.

In her groundbreaking new book, leadership expert Rebecca Shambaugh argues that business leaders need to embrace and leverage the broader spectrum of gender intelligence that fosters a balanced leadership perspective and yields better business results. *Make Room for Her* reveals:

- What an "Integrated Leadership" model looks like
- Why the Integrated Leadership approach is powerful--and sustainable
- What organizations, men, and women can do to harness the unique qualities of men and women
- How to ensure female talents don't go unnoticed

*Make Room for Her* provides firsthand advice from men on how women can grow and advance to the senior leadership and executive levels, and it offers a female's perspective on how men can best coach and support them in doing so.

Featuring interviews with more than 50 top executives as well as case studies based on Shambaugh's work coaching hundreds of women and men leaders, *Make Room for Her* is essential reading for anyone who hopes to lead an organization to greatness.

*"Make Room for Her delivers the essential message of Integrated Leadership to leaders at every level of every organization. This indispensable handbook delivers a new model for the organization of the future."* -- FRANCES HESSELBEIN, President and CEO, The Frances Hesselbein Leadership Institute

*"Rebecca Shambaugh's extremely informative, entertaining, and insightful new book is aimed at both a male and female audience. It succinctly describes business leadership models that drive top performance in organizations, as well as proactive steps female executives can take to assume responsibility for their careers and become a significant part of the leadership equation."* -- KAREN BECHTEL, Managing Director, The Carlyle Group

*"Diversity is about more than values and culture--it's also about taking action. Shambaugh provides a road map to cultural change with practical steps along the way for employees of both genders."* -- SYLVIA ANN HEWLETT, Economist and CEO, Center for Talent Innovation
