Out of the Closet Into the Light J. Adams

After living a life of abuse, abandonment and homosexuality, Jordan Jantz made the ultimate choice. Leaving his old life behind, Jordan came to know and understand God's love for him, as well as discover his own part in the eternal plan. But this book isn't just about his Christian conversion and lifestyle change, it is also about all the things he suffered that helped to bring him to this point. It's about everything he was, everything he is, and everything he is on his way to becoming. Simply put, this is the story of his journey from the painful, cold darkness into the light. A portion of the proceeds from *Out of the Closet Into the Light* will be donated to The Christmas Box International to support abused and neglected children.
