Politics and the Art of Commemoration: Memorials to struggle in Latin America and Spain (Interventions) Katherine Hite

Memorials are proliferating throughout the globe. States recognize the political value of memorials: memorials can convey national unity, a sense of overcoming violent legacies, a commitment to political stability or the strengthening of democracy. Memorials represent fitful negotiations between states and societies symbolically to right wrongs, to recognize loss, to assert distinct historical narratives that are not dominant.

This book explores relationships among art, representation and politics through memorials to violent pasts in Spain and Latin America. Drawing from curators, art historians, psychologists, political theorists, holocaust studies scholars, as well as the voices of artists, activists, and families of murdered and disappeared loved ones, *Politics and the Art of Commemoration* uses memorials as conceptual lenses into deep politics of conflict and as suggestive arenas for imagining democratic praxis.

Tracing deep histories of political struggle and suggesting that today's commemorative practices are innovating powerful forms of collective political action, this work will be of great interest to students and scholars of international relations, Latin American studies and memory studies.

If you want to buy the e-book, you can open up their official website and also order it. Have a nice study.

Debra Palacios:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Politics and the Art of Commemoration: Memorials to struggle in Latin America and Spain (Interventions) can make you experience more interested to read.
