Salt Water

Charles Simmons

Salt Water Charles Simmons

In the summer of 1963 I fell in love and my father drowned...

So begins this sweet, ominous novel by Charles Simmons. Set against an idyllic landscape of water, sand, and sky, it recounts in exquisite detail the momentous events of a boy's 16th summer that reveal to him the dark facts of adult passion. On Bone Point, an island off the New England coast, the boy's long, lazy days of boating and swimming are sharpened by a growing awareness of his charismatic father's infidelities. Add to this the presence of a flirtatious middle-aged woman and her beautiful 20-year-old daughter, who have rented the guesthouse, and the tale is set in motion. This tautly constructed novel is both startling and haunting—an irresistible story of memory, desire, and suspense.

From reader reviews:

Ezra Talbott:

Why? Because this Salt Water is an unordinary book that the inside of the publication waiting for you to snap that but latter it will zap you with the secret the item inside. Reading this book alongside it was fantastic author who else write the book in such amazing way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the book store hurriedly.

Linda Guyette:

Reading can called imagination hangout, why? Because when you are reading a book mainly book entitled Salt Water your brain will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely will end up your mind friends. Imaging every single word written in a reserve then become one type conclusion and explanation in which maybe you never get just before. The Salt Water giving you another experience more than blown away your thoughts but also giving you useful facts for your better life with this era. So now let us show you the relaxing pattern this is your body and mind is going to be pleased when you are finished examining it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Sandra Jordon:

Is it a person who having spare time in that case spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Salt Water can be the response, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these guides have than the others?

Allen Barnett:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is published or printed or highlighted from each source in which filled update of news. With this modern era like right now, many ways to get information are available for anyone. From media social just like newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just looking for the Salt Water when you essential it?
