Hoke Moseley has had enough. Tired of struggling against alimony payments, two teenage daughters, a very pregnant and very single partner, and a low-paying job as a Miami homicide detective, Hoke moves to Singer Island and vows never to set foot on the mainland again. But on the street, career criminal Troy Loudon is hatching plans of his own with a gang that includes a disfigured hooker, a talentless artist, and a clueless retiree. But when Loudon's simple robbery results in ruthless and indiscriminate bloodshed, Hoke quickly remembers why he is a cop and hurls himself back into the world he meant to leave behind forever.

A masterly tale of midlife crisis and murder, *Sideswipe* is a page-turning thriller packed with laughs, loaded with suspense, and featuring one of the most truly original detectives of all time.
