Strained Relations: The Challenge of Homosexuality Bill Muehlenberg

Strained Relations: The Challenge of Homosexuality is written by American-born, Australian-based veteran family researcher and activist Bill Muehlenberg. This comprehensive, detailed and thoroughly documented volume deals with every aspect of the homosexual debate, including lengthy chapters on homosexual marriage and adoption rights. The book also examines the biblical and theological material on this subject, rebutting the various theories of the theological revisionists. With over 700 footnotes, this is the most extensively researched and referenced volume on this topic available in Australia. Yet much of the book features international research and data as well, making it fully of use and of value to anyone from around the globe concerned about this issue.
