**Teens in Vietnam (Global Connections)** Gregory Nicolai

As the first generation with no memories of the Vietnam War, teens in Vietnam express great hope for their future. Whether they devote hours to studying or work bent over a rice field, young people are focused on improving their lives. But Vietnamese teens also find escape in pastimes that sound familiar to young people everywhere. Teens in Vietnam is part of Global Connections, a series that uncovers the challenges, pastimes, and customs of teens around the world.
