CHAINS OF FROST

When a will from her dead father decrees Chloe into the protection of the renowned vampire commander, Tyrian en Kulev, she does what any woman would do—and casts a spell. Things get worse for Chloe when the spell she and her sisters perform summons an ancient demon from deep within the earth. Now she's being hunted by a demon set on killing her and must live at the aptly named Castle Death with the king of cold, Tyrian. Surprisingly, Chloe finds that she doesn't mind her new Protector so much. His cold, impassionate nature needs a firm push to show his true colors, and Chloe thinks she's just the one to do it.

Tyrian en Kulev always pays his debts. When Francis Bellum dies and orders Tyrian to act as his eldest daughter's Protector, Tyrian resigns himself to the position. What should have been a simple deal--keep her in the castle, protect her--has turned difficult. Chloe comes to him with a demon trying to kill her and a sexy attitude that keeps invading his thoughts everywhere he goes. The little succubus easily grabs hold of the heart he'd kept locked away for so long and makes him feel once again. But can they defeat the demon that haunts her and can Tyrian overcome his past and move on to a new future with Chloe?

BONDS OF FIRE

Hotheaded succubus Willow Bellum doesn't take kindly to being given to the Alpha of the shapeshifters. When the will from her dead father puts Willow under the Alpha's protection, she runs. Yet no matter how hard or fast she runs, he always seems to catch her. And with each stolen moment together, Willow finds herself relenting to his quick smile and passionate kisses more and more.

When the Alpha finally captures his feisty succubus, he proceeds with a full-on seduction meant to weaken her defenses. Alpha Lyonis Keelan hasn't made his way to position of Alpha lightly and Willow's defiance to his touch only makes him more determined to win her. Because whether she wants it or not, Willow is his mate and he plans to keep her no matter what.

As their love struggles to take hold, an ancient demon stalks Willow. Unable to rest until it sees her dead, Willow and Lyonis must stand together or risk losing everything.

TIES THAT BIND

Lily Bellum keeps many secrets, even from those she loves the most. With a determination and mindset that only she can help the demon Telal Demuzi—she sets off to join him in his cause for demon's rights, whether he wants it or not. But things don't seem to go right from the beginning. To say he's resistant to her charms is putting it lightly, but Lily is not one to back down or give in easily. She pursues Telal, slowly breaking down his incredible defenses one smile, kiss, and touch at a time

Telal's years of planning are finally coming to fruition—to open the rift. Once a betrayer of his people, now he's determined to fix the past. But one man stands in his way; one man who's turned out to be a dark and sinister version of the boy he once knew. His plan to open the rift is met with hostility, resistance, and bloodshed unlike he'd ever thought possible. Telal finds that losing himself in the sweet body of Lily Bellum

proves an excellent treatment to the chaos around him. Together, Telal and Lily get wrapped up in a world of dark magic, love, betrayal, and murder in the greatest journey of their lives.

THE FALLEN KING

Life couldn't have possibly gotten worse for the demon king Arik. But it did. He lost the love of his life.

Days spent clouded in black and gray were brightened only with the lovely Arianna near. Her light kept the darkness at bay if only for a few moments.

He needs Abbigail. He needs the human witch to sacrifice herself in order to save his tortured soul. He's more than willing to sacrifice her for his purpose, but the more he's around her the more difficult it becomes to uphold the decision.
