Bruce Quarrie's Napoleonic Campaigns in Miniature A Wargamers' Guide to the Napoleonic Wars 1796-1815 John Curry

Packed with information on every aspect of Napoleonic warfare, both land and sea, this book shows the wargamer how to make their miniature battles even more realistic and exciting. It contains detailed information on how armies were raised, trained, provisioned, led and equipped. The book describes the weapons and tactics of the period, giving precise information down to the price of a single musket ball or pair of boots! Stimulating and full of ideas, this book has stood the test of time and is valuable to anyone interested in the Napoleonic period. The original book went onto four editions and was reprinted five times. The book is published by the History of Wargaming Project as part of a series to make key developments in wargaming available to the modern enthusiast. www.wargaming.co
