Line drawings of 30 American masterpieces invite colorists to add their own hues to famous paintings — from the quiet charm of Mary Cassatt's *Mother and Child* to Edward Hopper's starkly realistic *Hotel Room*. Additional works are from Albert Bierstadt, Childe Hassam, Edward Hicks, Winslow Homer, Grandma Moses, and 23 other masters.

From great works of the Italian Renaissance to masterpieces from the Impressionist movement, the Dover Masterworks series offers more experienced colorists the opportunity to re-create some of the world's most famous paintings.

The illustrations are printed on only one side of perforated pages, making it easy for artists to remove and display their finished pieces.

The original paintings are included in full color on the inside covers for reference.
