An Unexpected Mate

Lee is the perfect alpha in every respect. Dignified, rich, handsome, smart, active in the shifter community—he's the dream of every available she-wolf and omega in the city. But not even stunning paragons of success such as Lee are immune to the shared plight of most children: mothers hounding them to settle down with a mate. To appease his dear mama, Lee reluctantly agrees to attend a date she's arranged with a gorgeous she-wolf.

So Lee suffers through an atrocious date with an atrocious woman, but things look up the moment he meets her cousin—Ryan, a shy and timid omega male that Lee is absolutely smitten with. Will Lee be able to woo the shy omega out of his shell?

My Best Friend the Werewolf

Neil and Jason have been best friends since forever, but for the past few weeks, Jason has been avoiding Neil. Neil can't take being ignored any more and goes to confront Jason—only to learn three very significant things: Jason is a werewolf, Jason is gay, and Jason is crazy in love with Neil and wants to mate with him. How will Neil cope with these revelations?

Omega By Fate

Brett's been invited to massive gathering with many other wolf packs, and he's not in the least bit excited to attend it. One thing does entice him though, and that's the possibility of meeting his fated mate, the one he's always dreamed of: a beautiful woman that he'd bond with and raise many pups with. But when it turns out that his fated mate is Trevor, an alpha male heir to the Northstream pack and Brett is the omega in the relationship, will he be able to accept his new destiny?

Meeting in the Rain

A pleasant walk in the woods turns awry for David when a thunderstorm starts up and he loses his path back home—and that's the least of his troubles when a white wolf starts chasing him down until he's trapped

inside a cave with it! But right before his very eyes, the wolf transforms into a man, an incredibly hot, muscular, ripped man named Kai. It's an unexpected encounter, but things heat up as they indulge themselves in the company of each other and start bonding as the rain rages on.

Return of the Alpha

Jarred is the omega mate of the pack alpha Aidan, and they haven't seen each other in months. When Aidan returns, Jarred worries that things have changed between him and his mate—and also how will his alpha react when he says that he wants to have some children now! Little does he anticipate just how hotly his alpha still lusts over him and how much Aidan agrees that it's time to have new pups join the pack.

Warning: This bundle contains scorching hot werewolf shifter sex between dominant alphas and their omega/human mates, male breeding, knotting, and male pregnancy. Those uncomfortable with these themes may want to sit this bundle out.
