Parzival and Titurel (Oxford World's Classics)

Wolfram von Eschenbach

Parzival and Titurel (Oxford World's Classics) Wolfram von Eschenbach

Written in the first decade of the thirteenth century, *Parzival* is the greatest of the medieval Grail romances. It tells of Parzival's growth from youthful folly to knighthood at the court of King Arthur, and of his quest for the Holy Grail. Exuberant and gothic in its telling, and profoundly moving, *Parzival* has inspired and influenced works as diverse as Wagner's *Parsifal* and *Lohengrin*, Terry Gilliam's film *The Fisher King*, and Umberto Eco's *Bandolino*.

This fine translation, the first English version for over 25 years, conveys the power of this complex, wide-ranging medieval masterpiece. The introduction places Eschenbach's work in the wider context of the development of the Arthurian romance and of the Grail legend. This edition also includes an index to proper names and a genealogical table, and is the first to combine *Parzival* with the fragments of *Titurel*.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
