## **Rivers of Fire (Atherton, Book 2) (No. 2)** Patrick Carman

Atherton was once a magnificent three-tiered world, but few inhabitants know the truth of its dark origin: it is a giant man-made satellite, created as a refuge from a dying Earth. Now this strange place is torn apart--its three lands, formerly separated by treacherous cliffs, have collapsed and collided. But a gifted climber and adventurous orphan boy, Edgar, is determined to discover the secret of Atherton's survival, and embarks on a life-or-death quest to find its mad maker.

In bestselling author Patrick Carman's rich and riveting follow-up to *The House of Power*, an extraordinary world meets its destiny in an epic and unforgettable rebirth.
