**Science Fiction: A Historical Anthology (Galaxy Books)** Eric S. Rabkin

An invaluable contribution to the serious study of science fiction as well as a highly entertaining collection, *Science Fiction* contains 27 chronologically-arranged stories and excerpts, ranging from such early classic works as Swift's *Gulliver's Travels* and Shelley's *Frankenstein* to recent stories such as Harlan Ellison's "I Have No Mouth and I Must Scream" and Ursula K. Le Guin's "Vaster Than Empires and More Slow." Including brief general essays and a separate introduction to each individual story or excerpt, Rabkin's anthology greatly illuminates the evolution of the genre.
