Albania in the Twentieth Century: A History represents an unparalleled achievement in scholarship on Albania. Owen Pearson presents a complete account of the twentieth century in Albania, from its breakaway from the Ottoman Empire in 1908 to the Kosova War in 1999. Comprising original research, and excerpts from rare Albanian sources, this is a compendium of primary source material that provides a year-by-year and sometimes day-by-day account of Albania's modern history. It is an essential reference for all those interested in Albanian Balkan and Eastern European history.
