Assassin

Anna Myers

Assassin Anna Myers

Would you betray your president to win the heart of America's most celebrated actor?

Bella isn't evil. But even people with good intentions can end up doing bad things. Especially when they meet people with the power to persuade them to do almost anything, like John Wilkes Booth?the most charismatic and famous actor of his time.

So when Booth sets his sights on Bella, an assistant seamstress to Mary Todd Lincoln, to help with his plot to kidnap President Lincoln, he is able to persuade her to betray her president and even turn her back on the boy she has loved her entire life. Bella believes Booth is only trying to force the North to release Southern war prisoners, and will not harm her dear friend Mr. Lincoln. But the kidnapping plot fails, and now Booth will stop at nothing--even if it means harming Bella in the process.

Anna Myers has crafted a provocative new look at the Lincoln assassination through the eyes of both a young White House insider and the assassin himself. An author's note provides the historical background to this tragic event.

From reader reviews:

Shirley Morales:

In other case, little men and women like to read book Assassin. You can choose the best book if you like reading a book. As long as we know about how is important a book Assassin. You can add know-how and of course you can around the world by just a book. Absolutely right, due to the fact from book you can understand everything! From your country until finally foreign or abroad you will find yourself known. About simple matter until wonderful thing it is possible to know that. In this era, we can open a book or even searching by internet product. It is called e-book. You can utilize it when you feel weary to go to the library. Let's learn.

Joseph Southard:

Reading a reserve can be one of a lot of task that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people love it. First reading a book will give you a lot of new data. When you read a guide you will get new information because book is one of a number of ways to share the information or even their idea. Second, looking at a book will make you more imaginative. When you examining a book especially fictional works book the author will bring one to imagine the story how the people do it anything. Third, you could share your knowledge to some others. When you read this Assassin, you are able to tells your family, friends and also soon about yours guide. Your knowledge can inspire the others, make them reading a publication.

Barbara Duty:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you will have done when you have spare time, and then why you don't try matter that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Assassin, you are able to enjoy both. It is fine combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't obtain it, oh come on its called reading friends.

Cheri Tow:

What is your hobby? Have you heard that question when you got pupils? We believe that that question was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you also know that little person like reading or as examining become their hobby. You should know that reading is very important and also book as to be the factor. Book is important thing to include you knowledge, except your personal teacher or lecturer. You see good news or update with regards to something by book. Different categories of books that can you go onto be your object. One of them is Assassin.
