Narcissist: Inside the Mind of a Narcissist Paul Sorensen

~ **Take a Glimpse Inside the Mind of a Narcissist...** ****Limited Edition****

From the *~Personality Disorders and Mental Illnesses~* collection and the award winning writer, Paul Sorensen, comes a masterful explanation into the mind of a narcissist!

"An excellent depiction of the modern day narcissist!" - Alex Lemmings, Book Critique

You probably already know at least one narcissist. Heck, you might even be one yourself! Because the inability to recognize your own failings is so deeply ingrained in the condition, narcissism is very rarely recognized by the very people afflicted by it.

Think of your friend who everybody loves, who knows where to find the best of everything, and who got you into the best parties in college. They're great fun to be around, but there's something you can't put your finger on. Then you remember their short temper, and how when you broke up with your partner, they were concerned about what her would think of them for staying friends with you. It didn't occur to them to ask how you were faring.

Once you look past the party boy, the one for whom life is just effortlessly fabulous, you'll see the darker side.

Narcissism has become an increasingly popular term in pop culture, and is used to describe almost any behavior that could be slightly selfish. Unfortunately, this only serves to water down the real understanding of narcissism, and leave you without any true understanding of the condition, until one day, you meet a true narcissist and have to deal with the fallout.

This book will explore the history of narcissism, and how it is defined today, both in society and by professionals as a personality disorder. It looks at whether or not narcissists can change, and how you can protect yourself if you find yourself as a victim of the widely unheard of narcissistic rage – a phenomenon that can be scary at best and downright dangerous to your safety and even risk your life at worst.

Topics of Discussion

- What is Narcissism
- Identifying the Narcissist
- Narcissistic Personality Disorder
- Relationships with a Narcissist
- Female Narcissists
