**The Dreams in the Witch-House by H. P. Lovecraft (Unexpurgated Edition) (Halcyon Classics)** H. P. Lovecraft

This Halcyon Classics ebook is H.P. Lovecraft's classic occult tale of horror THE DREAMS IN THE WITCH-HOUSE.

The story follows Walter Gilman, who takes a room in the Witch House, an accursed house in Akham, Lovecraft's fictional New England town. The house once harbored Keziah Mason, an witch who disappeared mysteriously from a Salem jail in 1692. Gilman discovers that over the centuries most of its occupants have died prematurely. In his dreams while at the house, Gilman travels to the city of Elder Things and communes with the evil witch and her henchmen.

Howard Phillips Lovecraft (1890-1937) was an American author of horror, fantasy and science fiction, especially the subgenre known as weird fiction. As early as the 1940s, Lovecraft's work had developed a cult following for his Cthulhu Mythos, a series of loosely interconnected fiction featuring a pantheon of humanity-nullifying entities, as well as the Necronomicon, a fictional grimoire of magical rites and forbidden lore. Stephen King called Lovecraft "the twentieth century's greatest practitioner of the classic horror tale."

This unexpurgated edition contains the complete text with errors and omissions corrected.
