The Truth About United Flight 93: A Reasonable Analysis of the Evidence Michael D. Fortner

This was written to explain in detail what really happened to United Flight 93 on 9-11-01. Some people prone to conspiracies say that the government shot down the plane, while others claim no such flight even existed.

In order to find out the truth, I will examine the evidence like a detective trying to solve a murder case. I will first examine the reports of eyewitnesses, then examine photos of the crash site, and other evidence. We will also look at some of the questions that people have about the flight and the crash that has led to several conspiracy theories.

People who promote conspiracies about 9-11 hate this book!
