Anacalypsis: An Attempt to Draw Aside the Veil of the Saitic Isis : Or an Inquiry into the Origin of Languages, Nations and Religions Godfrey Higgins

"Godfrey Higgins was convinced that a high civilization had flourished prior to all historical records. He believed that there had existed then a most ancient and universal religion from which all later creeds and doctrines sprang." His research lasted over 20 years. "He attempted to establish the existence of a prehistoric universal religion and to trace its development into contemporary times. He believed this religion possessed accurate knowledge of universal and cosmic phenomena and held neither priesthood nor institution as intermediary in man's communion with the Divine." This highly sought after book is extremely rare. Two volumes.
