Erin Brockovich: The Shooting Script Susannah Grant

A moving, funny, and unconventional drama based on true events, *Erin Brockovich* stars Academy Award® nominee Julia Roberts as the twice-divorced mother of three young children who uncovers an injustice, takes on the bad guy, and wins. Directed by Steven Soderbergh (*sex, lies, and videotape*, *Kafka*, *Out of Sight*), this acclaimed Universal Pictures release features Albert Finney, Aaron Eckhart and Marg Helgenberger in a gripping story of truth, tragedy, and triumph.

With no job, no money, and no prospects, Erin Brockovich is a woman in a tough spot. But when she fast-talks her way into a job at lawyer Ed Masry's (Finney's) office, they both get more than they bargain for. The original screenplay by Susannah Grant, based on the real-life heroine Erin Brockovich, is, in the words of Chris Hewitt, critic for the Knight-Ridder News Service, "direct, intelligent, and witty in a way you wouldn't expect a movie about a class-action lawsuit to be." In our Newmarket Shooting Script® Series format, here is the complete shooting script, an introduction by Susannah Grant, movie stills, production notes, and complete cast and crew credits.
