Ethical Problems in the Practice of Law Professor Lisa G. Lerman, Philip G. Schrag

Covering all of the essential issues and topics, **Ethical Problems in the Practice of Law, Second Edition**, offers straightforward exposition and a combination of principal cases and real-case problems that generate lively class discussion and encourage strategic analysis.

Engage your students with a contemporary approach that features:

- **thorough coverage of the ethics codes and other law governing lawyers**, including legal malpractice, disqualification, wrongful discharge, and criminal malfeasance
- **concise, clear explanation** of lawyer law in a readable question and answer format
- an **overview** of the American legal profession and the challenges facing lawyers in the 21st century
- **more than 70 engaging problems** for classroom discussion, some based on court opinions, others based on actual situations encountered by lawyers and law students
- **principal cases** edited with care and presented with questions for discussion
- **tables and conceptual outlines that** highlight relationships, illustrate concepts, and aid memory
- **photos** of many lawyers and parties discussed in the text
- **more than 20 New Yorker cartoons** illustrating classic ethical dilemmas
- **a detailed Teacher's Manual** that provides thorough analysis of the hypothetical problems, formatted for easy adaptation to classnotes as well as fascinating post mortems and contextual commentary about the cases. After classroom analysis of a problem, a professor can tell the students "what really happened."

Thoroughly updated, the **Second Edition** now has a more flexible organization and coverage of important recent developments in the law, rules, and code, including:

- updates reflecting recent revision of the state Rules of Professional Conduct in response to the Ethics 2000 Commission
- new material on lawyers as counselors, the special duties of prosecutors, lawyer advertising, aggregate and class action settlements, and the revised Model Code of Judicial Conduct
- new problems and cases
- discussion of government challenges to the corporate attorney-client privilege
- pedagogical fine-tuning based on feedback from scores of enthusiastic adopters and students at more than eighty US law schools

Respected scholars **Lerman** and **Schrag** have created an accessible, problem-based casebook that generates rich classroom discussion in courses in Legal Ethics and Professional Responsibility.
