Greek Tragedy (Yale Classical Studies)

T. F. Gould, C. J. Herington

Greek Tragedy (Yale Classical Studies) T. F. Gould, C. J. Herington

The essays in volume 25 of Yale Classical Studies were specially commissioned by the editors to provide a cross-section of contemporary approaches to the interpretation of Greek tragedy. All three Attic dramatists receive attention, some essays being studies of a play as a whole, others concentrating on some particular passage or theme. Greek passages are translated so this volume should be of use and interest not only to classical specialists but also to students in any literary field.
