Living Canvas: Your Total Guide to Tattoos, Piercings, and Body Modification Karen Hudson

Tattoos. Given their permanence, why is it that we sometimes put more thought into what we'll wear next Saturday night, or our next haircut? As a tattoo specialist and writer for About.com, Karen L. Hudson has talked to far too many people who regret their tattoos. After years of fielding questions and concerns about tattoo health, she realized the need for a book that would cover all the bases of body art—from planning and choosing an artist to how to take care of your new piercing or tattoo afterwards. *Living Canvas* is a resource for body art enthusiasts, whether you're thinking about getting your first or fifth tattoo, planning for your next bod-mod, or regretting a negative experience. Transforming one's body into a living canvas should not be taken lightly, and Hudson covers the topics that too many people overlook. Encouraging readers to make safe, smart body art choices, *Living Canvas* is informative, preventative, and educational.
