Manual Catolico para Novios y Recien Casados (Spanish Edition) Frederick W. Marks

Mas Detalles

A través de esta guía practica para el matrimonio, aprenda los “secretos” para construir una relación verdaderamente espiritual con su pareja—como lidiar con todo, desde la pasta dental en el baño hasta la planificación familiar.

En el prólogo, el padre Kenneth Baker elogia el libro tanto por su practicidad como por su ortodoxia: “Este manual constituye una guía sobresaliente sobre el tema a tratar, tanto por su practicidad como por su fidelidad a las enseñanzas de la iglesia católica. Es sumamente practico puesto que ofrece, a sus lectores, muy buenos consejos matrimoniales sobre la mayoría de los aspectos que atañen a la vida conyugal, entre ellos destacan diversas recomendaciones para la boda, para la luna de miel, la buena relación con los suegros, el buen trato entre marido y mujer, las finazas, como criar a los hijos, las relaciones sexuales, para practicar la fe en común y para desarrollar una vida espiritual y una relación personal con Dios.

Asimismo, este manual es completamente católico. Por lo cual ofrece una serie de consejos excelentes de cómo los cónyuges vivir pueden juntos la fe católica a plenitud. En este sentido, el autor no es latoso ni pedante, ni vago ni ambiguo, ni trata los temas a medias aguas. Al contrario, el autor va directo al punto, y explica, de manera clara y concisa, que exige la iglesia católica de una relación conyugal, de la sexualidad y de la vida familiar”.
