India Welling has never considered herself to be lucky in love. She feels rejected by life and wonders if her happy ending is going to happen to her. She has always been the odd woman out and even her best friends seem to take for granted that she would always be there to help them in whatever capacity that they needed. When her best friend Julia is getting married, she agrees to become one of the bridesmaids. She doesn't like the idea of seeing somebody else happy, but she can't show her displeasure without alienating her friends and family.

At the wedding, she sees a young man and finds out that his name is **Billy Coghlan**. He's a Navy Seal back for his brother's wedding. She notices that he is staring at her, making her feel a little uncomfortable and aroused at the same time. She sees a haunted look in his eyes and feels almost compelled to find out the story behind it. Billy has never felt this way before and seeing India makes him yearn for something that he can't have. He pursues her, feeling the hunt begin all over again, but in a different way. He's soon flirting and then eventually taking things to the next level.
