## **Book 2 "Her Last Love Affair: Breathing Without You"**

Allie McLaren is a workaholic who resists having fun during her off time. That is until she gets the worst news of her life. Determined to live life to the fullest, Allie decides to rekindle past flames. Fanning the flames of the past is fun for Allie until she meets someone unexpected. Follow Allie's incredible journey as she makes up for lost time and partakes in the love affairs she never let herself have. Each incredible rendezvous could be her last love affair.

### **Sample Of What's Inside!**

In preparation for her date, Allie had gone out and bought a new dress and some sexy red, three-inch stilettos. She'd also paid a visit to a beauty salon three days before she was due to meet Patrick, and had a full Brazilian wax. It was not something she'd ever done before and didn't imagine she'd ever do; but for some reason she found herself wanting to appear as attractive as possible to him.

On the night of the date, she felt slightly nauseous; it was almost like her first date with Carl, when she'd wondered how on Earth she would suggest a one night stand. Her palms were clammy and her fingers trembled, as she got dressed and put on her make up. In fact, she was so nervous that she resorted to downing a glass of white wine before leaving the apartment.

He'd invited her to meet him outside a restaurant that he co-owned, apparently his interests went beyond journalism and he'd founded the place with a friend three years before. Allie knew of the restaurant, 'Le Jardin Bistro', but had never visited, partly because up until a few weeks ago she didn't eat out regularly, and partly because she didn't consider herself to be a huge fan of French cuisine.
