## **Where Southern Cross the Dog** Allen Whitley

In the late 1930s, Jim Crow walked unopposed in Mississippi, and Europe was preparing for war. But even though an ocean apart, the threads of hate and fear bound them together.

Set in Clarksdale, Mississippi, *Where Southern Cross the Dog* begins with the tragic slaying of a day laborer and the chance meeting of its two main characters: Travis Montgomery, a new graduate of Millsaps College, and Hannah Morgan, a young, educated, affluent African-American woman who returns to the South to assist her ailing grandmother. As their initial wariness turns to friendship and then romance, Travis and Hannah unravel the secrets behind the murder which include a conspiracy that runs from Clarksdale to pre-war Europe.

*Where Southern Cross the Dog* includes a CD compilation by Allen Whitley and Jim O'Neal featuring tracks that are re-released for the first time by artists such as Emma Jane Davis and Asa Ware.

#### **Donald Shelton:**

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Where Southern Cross the Dog can make you feel more interested to read.
