Picture Perfect Memory: An Extraordinary System for Ordinary People Kerry Austin

Picture Perfect Memory Training™ is an incredible memory system. This system was originally created to help with his difficulty in learning. After failing all college level classes his freshman year, Kerry had a remarkable turnaround. The book is designed to share with readers his incredible discovery and personal techniques for remembering. After being called stupid by a former supervisor Kerry was inspired to dig his heels in and prove to him as well as the rest of the world that he was far from stupid. As a matter of fact, he has dedicated his life to learning and teaching others how to learn. He calls it studying smarter not harder. Picture Perfect Memory is not only good for academics but for business as well. Kerry teaches you to recall names, the purpose for remembering those names, why people don't remember names, and instant recall techniques. You will remember and recall information, improve your network, build new relationships, increase your confidence. Learn how to mentally file more information, connect your ideas, and how to organize your thoughts. Discover the breakthrough techniques that will distinguish you from everyone else in any business, organization, meeting, or special event.
