- When it's okay to break the rules
- How to use the resources already at your disposal much more powerfully
- Rainmaking, and why it's absolutely essential to women's success
- When to stay quiet and when to share information
- Why women should forget networking and start "webbing"
- Why you have to watch out for Silent Treatment Sophie and Queen Bea
- Why you don't have to play golf

Whether you're a top executive or an entry-level assistant, *She Wins, You Win* will give you the tactics and strategies you need to attain your career goals.
