Barren Fields: The Last Blade Of Grass Book 2 Robert Brown

Eight months after the destruction the Zeus Plague unleashed on humanity, the infected started to die allowing the survivors to venture into the world again. This false sense of safety was met with deadly consequence. The vestiges of humanity must now struggle to survive not only encounters with each other, but an infected threat that is fast, can strategize, and maneuver around defenses. In this emotional conclusion to the best-selling; The LAST BLADE of GRASS, the story continues with the ranch survivors trapped in southern Oregon by a possible new foe and introduces the struggles of Eddie's father as he attempts a harrowing journey from New Orleans in a bid to discover if his son has survived. Will the last of mankind band together and stop this new zombie threat or will old animosities allow the human race to be plucked out of existence like the last blade of grass, leaving only barren fields?
