Intricacies of Patriotism

Intricacies of Patriotism

Intricacies of Patriotism presents a selection of concepts of patria along with their corresponding forms of patriotism. The various contributions represent different backgrounds and draw a picture of patria as a universal value that is indispensable to one's sense of self-awareness, and the identity of groups. The different understandings of patria in this collection are examples of employing patriotism to advance the identity of the group, or the individuals within it. While eulogists of cosmopolitanism tend to portray patriotism as anachronistic and irreconcilable with the «man-of-the-world-style», the notion of patria seems to be motivated by a deep concern to preserve patriotic feelings in an undistorted fashion, and to preserve them as a value of utmost importance.
