Setting God Free: Awakening to Miracles Sherri Lane

Setting God Free is a call for all who seek to be more. It is a call for Christians, practicing or non-practicing, leader or follower, to dare to be more like Jesus by living in love and non-judgment. It is a call for non-Christians to understand the beauty of Christ's message in an environment that is without judgment or without a need to convert. It is a call for ALL to understand that unconditional love is the answer.

For many years we have created God in our image. We have decided what He was and is, rarely allowing Him to be more than our limited minds could comprehend. We have shackled God through our own thoughts and restrictions. This book asks readers to step outside the boundaries we have put around God, allowing His full magnificence to unfold in their lives and in the lives of those around them.

Setting God Free reminds us that the day has finally come that we will be truly enlightened, beyond what we previously could have imagined. Each of us who chooses to step forward to be more will make that leap. We have fear because this is unfamiliar territory, beckoning us to move into something unknown, to think in ways that are unfamiliar, giving up our need to be right. But our fears are unwarranted; our trouble unfounded, for God is on our side. Today can be the day that you change your life by shifting your thoughts to a more loving place, the day that you change the world through the process of changing yourself and letting go of fear. It is time to answer the call to do what you came here to do...to love and be loved, to let your true magnificence shine. Seize this moment, for it holds the promise of a New World, a Renewed Eden.

She also hosts a facebook fanpage of the same title, which examines the ideas of "A Course In Miracles" and other positive thoughts about returning to God through returning to love, our natural existence (search "Seeing Miracles Every Day" on facebook).
