Dr. Jessica Bentley knows all about monsters.

She lives with them. Deals with them every day.

But when Jessica warns the city of San Diego about a modern day Jack the Ripper on live TV, she never expects to become the monster's next target.

A brilliant madman is watching....

A serial killer the media has dubbed the "Savior" is terrorizing San Diego. He is a chameleon, a hacker who can create and delete his identity at will. He blazes through firewalls, strolls through doors that are closed to millions, and dreams about saving the world against sin. He's a wizard, a god, a ruthless killer.

Now you see her, now you don't...

Wanted for murder, Navy SEAL Jake Kincaid is battling the feds, the cops, and as the clock winds down on a terrifying deadline, Jake plunges headlong into the most desperate hunt of his life, into the shattering search for a killer, a deadly truth, and for the love of his life, whose past has come back to kill her.

Just how far will a man go to save the woman he loves? The answer is simple--all the way over the edge.
