The Melendez Forgotten Marriage

Melanie Milburne

The Melendez Forgotten Marriage Melanie Milburne

When fragile Emelia awoke from her coma she had no recollection of the strikingly handsome man before her, whose eyes glittered like fine-cut gems--hard and impenetrable. But he aroused "something" within her....

Javier Melendez had wed Emelia for convenience and bedded her for pleasure. The rules in place during their marriage had suited him perfectly, and he'd ensured his trophy wife adhered to them.... But as Emelia's memory slowly returned, she seemed to be laboring under a misapprehension...that their marriage was based on love!
