Learning Dreamweaver is a dream with this instructional book-and-video training package!

Dreamweaver CS5 Digital Classroom covers Dreamweaver CS5 and Dreamweaver CS5.5. Adobe Dreamweaver allows you to easily create robust Web sites without needing extensive programming knowledge or skills. The latest version of Dreamweaver boasts enhanced capabilities and this exciting book-and-downloadable video training package makes learning the new features of Dreamweaver less intimidating. Sixteen self-paced lessons explain how to design, develop, and maintain a fully functioning site. The complementary lessons featured in the video tutorials are each approximately five minutes long and demonstrate the concepts and features covered in the lesson.

- Features full-color, step-by-step tutorials that complement the topics covered in each lesson
- Walks you through the basics of the newest release of Dreamweaver, such as applying style sheets, using dynamic HTML, adding style with images and multimedia, and publishing and maintaining a Web site
- Addresses how to use hyperlinks to navigate throughout a Website or link to other sites on the Internet and use databases to create dynamic Web sites

It's not a dream—Dreamweaver CS5 Digital Classroom really *is* just like having your own personal instructor guiding you through each lesson.

Note: DVD and other supplementary materials are not included as part of eBook file. These materials are available for download upon purchase.
