**Two Sides for Every Story** Michael Avalos, Christopher Avalos

We are a pair of identical twins born in Chicago IL, raised in El Paso, Texas, and have been longing to write a book about twins and what it is like to be a twin. Our new never before written book will answer some of those heart throbbing questions you always seem to ponder every time you spot a pair of twins.

We both began writing at a young age and have always wanted to release a short book about not only what we experience every day, but what also a lot of other twins experience, whether they be identical, fraternal, or simply just look similar. This project sparked when we just wanted to make this a guide for expecting mothers of twins, but this has blossomed into so much more. We hope you enjoy it as much as we did producing it.
