Getting Your Business Funded: From Writing Your Business Plan to Securing Capital M.D.L. Deutsch

Are you looking to raise capital for a new business or real estate venture? Are you unsure of how to write a business plan? Well this book is for you! In this text, we cover a number of topics including:

- How to properly prepare a business plan
- Determine which type of capital is best suited for your business
- What professionals you will need during the capital raising process
- The types of capital that you can use to fund your company
- How to combine different types of capital in order to get the total funding you need.

The text also includes a sample business plan template with explanations of what to write in each section.
