As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on
