The Birth of the Palestinian Refugee Problem Revisited (Cambridge Middle East Studies)

Benny Morris

The Birth of the Palestinian Refugee Problem Revisited (Cambridge Middle East Studies) Benny Morris

Morris' earlier work exposed the realities of how 700,000 Palestinians became refugees during the 1948 Arab-Israeli war. While the focus of this edition remains the war and exodus, new archival material considers what happened in Jerusalem, Jaffa and Haifa, and how these events led to the collapse of urban Palestine. Revealing battles and atrocities that contributed to the disintegration of rural communities, the story is harrowing. The refugees now number four million and their cause remains a major obstacle to regional peace. First Edition Hb (1988): 0-521-33028-9 First Edition Pb (1989): 0-521-33889-1
