John Gray

This is a set of four books by John Gray. The author has been a relationship psychologist who specializes on teaching how males and females process information and communicate in similar but significantly different ways, and how this leads to problems and conflicts in relationship, and how they make relationship issues harder to resolve. MARS AND VENUS IN TOUCH is his most concise and to the point statement about the key differences and what we can do about them. MEN ARE FROM MARS, WOMEN ARE FROM VENUS is his first and best book on the subject and has many practical suggestions which have worked from many people. MARS AND VENUS IN THE BEDROOM goes into how these differences play out in sexual communion, while HOW TO GET WHAT YOU WANT AND WANT WHAT YOU HAVE is general approach to making your life work which only indirectly touches the gender dynamics.
