**Lovers Not Friends** Helen Brooks

"You're mine, Amy, you'll always be mine!"

For Amy, marriage to Blade Forbes had been a dream come true. And then one day her world collapsed around her when she discovered a secret that was about to destroy everything. She loved, Blade, and he loved her-but she had to get away, had to leave him to protect him from the knowledge that would drag with her into a living hell. Only she had forgotten one thing-the determination of a man in love.

#### **Mary Diaz:**

Reading a e-book tends to be new life style in this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only situation that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some exploration before they write with their book. One of them is this Lovers Not Friends.

#### **Christopher Hill:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Lovers Not Friends can make you feel more interested to read.

#### **Michael Brown:**

E-book is one of source of expertise. We can add our information from it. Not only for students but in addition native or citizen will need book to know the revise information of year to help year. As we know those ebooks have many advantages. Beside all of us add our knowledge, could also bring us to around the world. By the book Lovers Not Friends we can get more advantage. Don't you to definitely be creative people? Being creative person must love to read a book. Simply choose the best book that acceptable with your aim. Don't become doubt to change your life with that book Lovers Not Friends. You can more inviting than now.
