Life and Speeches of Daniel O'connell, M. P, Vol. 2 (Classic Reprint) John O'connell

Excerpt from Life and Speeches of Daniel O'connell, M. P, Vol. 2

The ten years which are embraced in the present volume of this "Sketch of the Life and Collection of the Speeches of Daniel O'Connell" (to give the work its proper, though very awkward title) were among the most important of his entire career, in point of permanent usefulness to Ireland.

This assertion may appear at first sight strange; considering that the period in question included so small a portion of the workings of that great engine which he devised and put together, and by which he accomplished the great victory of Catholic Emancipation.

And in all probability the reasons advanced in support of the assertion may not seem as convincing, nor by any means as palatable, to some of those who shall chance to read this imperfect record of Mr. O'Connell's career, as I have little doubt they will be found when submitted to the majority of Catholic Ireland.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
