## **Rabin: 20 Years After** Robert Slater

Twenty years after that grave night of November 4, 1995, when Israel's prime minister Yitzhak Rabin was felled by an Israeli assassin's bullets, Robert Slater goes back to once again explore the man, politician and leader – a leader whose personal history paralleled that of his country, a onetime warrior that became a peacemaker. As the life of Yitzhak Rabin unfolds, the story of Israel is told: Rabin was the first native-born prime minister, the first to be born in the twentieth century, the first to be educated entirely in the country and the first to emerge from the army, bringing an altogether different tone to Israel's leadership. In his life he had been a bland, unexciting figure, whose military and political efforts were often overshadowed by more charismatic Israeli leaders. He had none of the down-to-earth charm of Golda Meir or the swashbuckling bravado of Moshe Dayan. So, what did make Rabin – former chief of staff and a taciturn, shy politician with an unpolished and simple style – into one of Israel's most longed for and admired leaders until this very day? Shortly before passing away, biographer Robert Slater, based on years of exhaustive research including extensive interviews with Rabin himself, former colleagues, aides, political rivals, friends and family, sheds light in this wide-ranging account on Rabin the man, statesman, leader and warrior for peace.

### From reader reviews:

#### **Jean Fuller:**

Spent a free time for you to be fun activity to accomplish! A lot of people spent their spare time with their family, or all their friends. Usually they performing activity like watching television, about to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Can be reading a book might be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the publication untitled Rabin: 20 Years After can be great book to read. May be it can be best activity to you.

#### **David Paras:**

Precisely why? Because this Rabin: 20 Years After is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

#### **Peter Delaune:**

Do you really one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you just dont know the inside because don't judge book by its cover may doesn't work is difficult job because you are frightened that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer can be Rabin: 20 Years After why because the fantastic cover that make you consider with regards to the content will not disappoint you actually. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly show you to pick up this book.

#### **Sheila Whitley:**

Do you like reading a guide? Confuse to looking for your preferred book? Or your book had been rare? Why so many problem for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading, not only science book but novel and Rabin: 20 Years After or even others sources were given know-how for you. After you know how the great a book, you feel desire to read more and more. Science guide was created for teacher or even students especially. Those guides are helping them to add their knowledge. In different case, beside science reserve, any other book likes Rabin: 20 Years After to make your spare time more colorful. Many types of book like this.
