The Book of Mormon Made Harder

James E. Faulconer

The Book of Mormon Made Harder James E. Faulconer

Latter-day Saint philosopher James E. Faulconer's Made Harder series raises many more questions than it answers. And that is precisely the point. Faulconer wrote *The Book of Mormon Made Harder* on the premise that our scripture study is only as good as the questions we bring to the endeavor. While many books about the Book of Mormon provide useful shortcuts, chapter synopses, timelines, and memorable bullet points, this book consists almost entirely of challenging questions (with occasional commentary for clarity's sake) because, in Faulconer's experience, *questions themselves* are the key to reflective and deep scripture study. This book is intended to make reading *harder*—and therefore fresher—by priming your pondering pump with insightful study questions. *The Book of Mormon Made Harder* is the perfect tool to improve personal and family scripture study, sacrament meeting talks, or Sunday School lessons.

So much of modern life is geared to finding faster and easier ways to do the same old things. The Made Harder series is proof that making things easier does not always make them better.
