The Life and Times of Archy & Mehitabel

The Life and Times of Archy & Mehitabel

Of all the literary genres, humor has the shortest shelf life-except for Archy and Mehitabel, that is. First published in 1916, it is a classic of American literature. Archy is a cockroach, inside whom resides the soul of a free-verse poet; he communicates with Don Marquis by leaping upon the keys of the columnist's typewriter. In poems of varying length, Archy pithily describes his wee world, the main fixture of which is Mehitabel, a devil-may-care alley cat.
